Greg,

We've got personnel scheduled for all of the time slots for the next two weeks. Am working on the cost estimate now. Do you want me to go out 50 days? Was going to include some travel costs. I know we'll end up running into some shifts that Baton Rouge will be unable to cover. For rates I was going to use a blend, due to not knowing the entire schedule. Robert said one of the LSP was not very receptive to our staging in their MCP. Do you think one of the EPA LTVs would be available?

Please let me know if these assumptions are acceptable.

David
